IT IS HEREBY ORDERED, ADJUDGED, AND DECREED,⁵ that:

1. *Petition Date.* On July 3, 2025 (the “Petition Date”), Debtor filed with the Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Debtor continues to operate its businesses and manage its affairs as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Office of the United States Trustee for the Middle District of Florida (the “U.S. Trustee”) has not appointed any creditor or equity committee(s), nor has this Court appointed any trustee, examiner, ombudsman, or other fiduciary, or limited the rights of Debtor, as debtor in possession, in the Chapter 11 Case.

2. *Jurisdiction and Venue.* This Court has core jurisdiction over the Chapter 11 Case, the Motion, and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The Court may enter a final order consistent with Article III of the United States Constitution.

3. *Notice.* Debtor has provided notice of the Motion, relief requested therein and the proposed Interim Order to: (a) the Office of the United States Trustee for the Middle District of Florida; (b) the Debtor; (c) all secured creditors; (d) the Office of the Attorney General of the State of Florida; (e) the twenty (20) largest unsecured creditors for the Debtor; (f) the Debtor’s identified, interested taxing authorities, including the Internal Revenue Service; (g) the Debtor’s identified,

⁵ The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

interested government and regulating entities; (h) other interested parties as identified by the Debtor; and (i) any known counsel for (a)-(h). Under the circumstances, such notice constitutes due and sufficient notice thereof and complies with Bankruptcy Rules 2002, 4001(b), (c), and (d) and all applicable Local Rules, and no further or additional notice is necessary or appropriate.

4. *Debtor's Stipulations.* After consultation with its advisors, and without prejudice to the rights of any committee that may be appointed in the Chapter 11 Case or other parties in interests, except as otherwise limited herein, the Debtor, on its behalf and on behalf of its Estate, shall be deemed to admit, stipulate, acknowledge, and agree as follows (collectively, the "Stipulations"):

(a) as of the Petition Date, the Debtor was party or otherwise obligated under the Prepetition Secured Loan and truly and justly indebted and liable to PMA, without defense, objection, counterclaim, or offset of any kind, in the aggregate principal amount of not less than \$15,000,000 on account thereof (the "PMA Loan Obligation");

(b) the PMA Loan Obligation constitutes a legal, valid, binding, and non-avoidable obligation of the Debtor and is not subject to any avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. No payments or transfers made to or for the benefit of (or obligations incurred to or for the benefit of) PMA by or on behalf of the Debtor prior to the Petition Date under or in connection with the PMA Loan Facility is subject to avoidance, recharacterization, effect, counterclaim, defense, offset, subordination, other claim, cause of action, or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise;

(c) the security interest and liens related to the PMA Loan Facility (collectively,

the “PMA Prepetition Liens”) are: (i) legal, valid, binding, perfected, enforceable, first priority liens on and security interests in the subject collateral (the “PMA Prepetition Collateral”) to secure the PMA Loan Obligation, (ii) not subject to avoidance, recharacterization, offset or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law or other challenge, and (iii) after giving effect to this Interim Order and subject to the Carve-Out, subject and subordinate only to other valid and unavoidable senior priority liens properly perfected prior to the Petition Date (or perfected after the Petition Date to the extent permitted by section 546(b) of the Bankruptcy Code), solely to the extent such liens are permitted under the PMA Loan Facility and related agreements (collectively, the “PMA Loan Documents”) to be senior to the liens securing the PMA Loan Obligation;

(d) Debtor, on its behalf and on behalf of its Estate, forever and irrevocably releases, discharges, and acquits the DIP Lender and PMA, and each of their respective former, current and future officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors and successors in interest of the DIP Lender and PMA (collectively, the “Releasees”) of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, reasonable attorneys’ fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened, including all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, solely arising out of, in connection with, or relating to the DIP Facility, the DIP Documents, the PMA Loan Documents,

and/or the transactions contemplated hereunder or thereunder, including (x) any so-called “lender liability” or equitable subordination or disallowance claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the DIP Lender or PMA, provided that the releases set forth in this section shall be limited to such claims arising on or before the date on which the Court enters this Interim Order. Debtor also waives and releases any defense, right of counterclaim, right of setoff or deduction of the payment of the PMA Loan Obligations and the DIP Obligations that Debtor now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Interim Order; and

(e) no portion of any of the PMA Loan Obligations shall be subject to contest, attack, avoidance, impairment, disallowance, defense, counterclaim, recharacterization, reduction, recoupment, setoff, recovery, or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law, *except* as permitted herein during the Challenge Period.

5. *Findings Regarding the DIP Loans.*

(a) Debtor seeks authority to (i) obtain postpetition financings pursuant to the DIP Facility on the terms described herein and in the DIP Loan Documents, and (ii) use Cash Collateral on the terms described herein to, *inter alia*, administer the Chapter 11 Case and fund operations; *provided, however*, that Debtor requests such relief, and the Court grants the relief provided herein, on an interim basis and subject to the Final Hearing and entry of the Final Order, which Debtor shall provide in accordance with this Interim Order.

(b) Debtor has an immediate need for funding under the DIP Facility and authority to use Cash Collateral in order to, among other things, permit the orderly continuation of

its business operations, preserve the going concern value of Debtor, satisfy the ongoing obligations of the business, including payroll, working capital, and general corporate expenses, and facilitate the anticipated sale and chapter 11 plan through the Chapter 11 Case. The ability of Debtor to maintain business relationships with their vendors, suppliers, and patients, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP Facility and the use of Cash Collateral. The unavailability of either funding source would immediately and irreparably harm Debtor, its estates, creditors, and other parties in interest, including Debtor's more than 55,000 patients, as Debtor does not have sufficient available sources of working capital and financing to operate its businesses in the ordinary course of business and preserve its valuable assets and position in the community as a trusted healthcare provider.

(c) The Debtor has been unable to obtain interim financing on terms more favorable than the DIP Facility or from sources other than the DIP Lender. As relevant here, Debtor has been unable to obtain (i) postpetition financing as an administrative expense pursuant to section 364(b) of the Bankruptcy Code or, exclusively, as a super-priority administrative expense having priority over that of administrative expenses arising under sections 503(b), 507(a) and 507(b) of the Bankruptcy Code, or (ii) secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without (x) granting priming or *pari passu* liens under section 364(d)(1) of the Bankruptcy Code as well as a super-priority administrative claim under section 364(c)(1) and (y) subject to entry of the Final DIP Order, "rolling-up" the PMA Loan Obligation into the DIP Facility.

(d) The terms and conditions of the DIP Facility pursuant to the DIP Documents (including the payment of fees contemplated thereunder), including the Cash Collateral, pursuant to this Interim Order are fair, reasonable, and the best available to Debtor under the circumstances,

are ordinary and appropriate for secured financing to debtors in possession, reflect Debtor's exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) With respect to any relief provided in this Interim Order, the DIP Documents, the use of Cash Collateral, and the grant of adequate protection, to the extent necessary, hereunder have been the subject of extensive negotiations conducted in good faith and at arm's length among Debtor and the DIP Lender, and all of Debtor's obligations and indebtedness arising under or in connection with the DIP Documents, this Interim Order, and the DIP Obligations shall be deemed to have been extended by the DIP Lender in "good faith" as such term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections set forth therein, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified on appeal or otherwise. Any such reversal, modification, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder or any lien, claim, or priority authorized or created hereby. Any liens or claims granted to the DIP Lender hereunder arising prior to the effective date of any such reversal, modification, or vacatur of this Interim Order shall be governed in all respects by the original provisions of the DIP Documents and this Interim Order, including entitlement to all rights, remedies, privileges, and benefits granted herein.

(f) Debtor has requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2). Absent granting the interim relief set forth in this Interim Order, Debtor's estate and its business operations will be immediately and irreparably harmed; thus, obtaining postpetition financing pursuant to the DIP Facility and authorizing the use of the Cash Collateral, in accordance with this Interim Order and the DIP Documents are in the

best interest of the Estate and its creditors and other parties in interest. Good cause has been shown for the immediate entry of this Interim Order.

6. *Adequate Notice.* Notice of the Interim Hearing and the relief requested in the Motion has been provided by Debtor in accordance with applicable rules and orders of this Court, whether by facsimile, electronic mail, overnight courier, hand delivery or other permitted means, to the Notice Parties. Debtor has made reasonable efforts to afford the best notice possible under the circumstances and no further or additional notice is required prior to granting the relief set forth in this Interim Order.

7. *Authorization of the DIP Loans and the DIP Documents.*

(a) Debtor is hereby authorized (i) to enter into and perform under the DIP Documents and, (ii) to borrow under the DIP Agreement up to an aggregate principal amount of \$5,000,000 prior to entry of the Final Order and, upon entry of the Final Order, up to an aggregate principal amount of \$39,000,000 (inclusive of the Prepetition Roll-Up) in DIP Loans, the proceeds of which shall be used for, subject to the terms of this Interim Order, the DIP Documents and the Approved Budget, among other things, working capital and other general corporate purposes of Debtor, including fees, costs, and expenses related to the Chapter 11 Case and the DIP Documents, capital expenditures, and to pay interest, fees, and expenses in connection with the DIP Facility, including any adequate protection or adequate assurance payments.

(b) In furtherance of the foregoing and without further approval of this Court, Debtor is authorized and empowered to perform all acts and to execute and deliver all instruments and documents that the DIP Lender determines to be reasonably required or necessary for Debtor's performance of its obligations under the applicable DIP Documents, including:

- (i) the execution, delivery, and performance of the DIP Documents;
- (ii) the execution, delivery and performance of one or more

amendments, waivers, consents or other modifications to and under the DIP Documents (in accordance with the terms of the applicable DIP Documents and in such form as Debtor and the DIP Lender may agree), without further approval of this Court, *provided* that the subject amendment, waiver, consent or other modification to and under the DIP Documents does not materially and adversely affect Debtor and does not (A) shorten the scheduled maturity of the DIP Loans, (B) increase the principal amount of the DIP Facility or the rate of interest payable on the DIP Loans, or (C) change any Event of Default, add any covenants or amend the covenants therein, in any such case to be materially more restrictive on or affect the rights of Debtor; *provided, however*, that a copy of any such amendment, waiver, consent or other modification shall be filed by Debtor with this Court and delivered by Debtor to counsel for the U.S. Trustee and any statutory committee (the “Committee”) appointed in the Chapter 11 Case, which Debtor shall complete within three (3) Business Days of its effectiveness; and

(iii) the performance of all other acts required under or in connection with the DIP Documents.

(c) Upon the execution thereof, the DIP Documents shall constitute valid and binding obligations of Debtor, enforceable against Debtor in accordance with the terms of this Interim Order and the DIP Documents. No obligation, payment, transfer or grant of security by Debtor under the DIP Documents or this Interim Order shall be voidable, avoidable, restrained, or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law (including under sections 502(d) or 548 of the Bankruptcy Code or under any applicable state Uniform Avoidable Transaction Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment, or counterclaim.

(d) All borrowings under the DIP Facility and all use of Cash Collateral shall be in compliance with the Approved Budget, the DIP Documents, and this Interim Order, and Debtor shall not use any portion of the proceeds of the DIP Facility or any Cash Collateral, directly or indirectly, in excess of the amounts set forth in the Approved Budget (subject to the Permitted Variance). The Approved Budget may be updated and amended from time to time in accordance with the DIP Agreement and subject to the DIP Lender’s approval, *provided* that such updated or amended Approved Budget shall be promptly provided to counsel for the Committee and filed

with the Court.

8. *Super-priority Claims.*

(a) Subject in all respects to the Carve-Out, pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations, including the Prepetition Roll-Up (once effective), shall constitute an allowed senior administrative expense claim (the “Super-priority Claim”) against Debtor (without the need to file a proof of claim or request for payment) with priority over any and all administrative expenses, adequate protection claims, and all other claims against Debtor, now existing or hereafter arising, of any kind whatsoever, including all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre- and post-petition property of Debtor. Other than the Carve-Out, no priority claims are, or will be, senior to, prior to, or *pari passu* with the Super-priority Claims, or any of the DIP Obligations, or with any other claims of the DIP Lender arising hereunder or under the other DIP Documents, or otherwise in connection with the DIP Facility.

9. *Carve-Out.*

(a) For purposes hereof, the “Carve-Out” means the aggregate amount of (i) all unpaid professional fees and disbursements incurred by the Debtor, any statutory committees, or any ombudsman or other Court-appointed estate representative appointed in the Chapter 11 Case pursuant to sections 327, 332, 333, 363 and 1103 of the Bankruptcy Code for any of their respective professionals retained by final order of the Court, which order has not been reversed, vacated or

stayed, unless such stay has been vacated (the “Case Professionals”) at any time prior to the delivery of the Carve-Out Trigger Notice to the extent allowed by the Court (the “Allowed Professional Fees”), in an aggregate amount not to exceed the amounts set forth in the Approved Budget for professional fees prior to the delivery of a Carve-Out Trigger Notice, *plus* (ii) \$250,000 on account of anticipated professional fees and disbursements incurred, or to be incurred, by the Case Professionals following the delivery of the Carve-Out Trigger Notice (the “Wind-Down Carve-Out Amount”), *plus* (iii) any fees required to be paid to the Clerk of the Court or U.S. Trustee pursuant to 28 U.S.C. § 1930(a) for the time period beginning on the Petition Date and ending on the Carve-Out Effective Date, which fees shall not be limited to amounts that may be set forth in the Approved Budget.

10. *DIP Liens.* As security for the DIP Obligations, effective and perfected upon the date of this Interim Order and without the necessity of the execution by Debtor (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by the DIP Lender of any property, the following security interests in and liens and mortgages upon the DIP Collateral (described below) are hereby granted to the DIP Lender, subject only to the Carve-Out in all respects (all such liens and security interests granted to the DIP Lender, pursuant to this Interim Order and the DIP Documents, the “DIP Liens”). “DIP Collateral” shall consist of all property of the Estate under section 541 of the Bankruptcy Code, including all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of the Debtor, including: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including governmental and credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not

marketable) and investment property, hedge agreements, real estate, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, service marks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, books and records related to the foregoing, accession and proceeds of the foregoing, wherever located, including insurance or other proceeds (provided that the liens and rights granted herein shall not interfere with any rights held by a landlord to insurance proceeds for damage to a landlord's property); (b) all proceeds of leased real property; (c) subject to entry of the Final Order, the proceeds of any avoidance actions brought pursuant to Chapter 5 of the Bankruptcy Code or applicable state law equivalents; (d) proceeds from Debtor's exercise of rights under section 506(c) and 550 of the Bankruptcy Code; (e) all property of Debtor that was not otherwise subject to valid, perfected, enforceable and unavoidable liens on the Petition Date; and (f) all proceeds from the sale, assignment, or other disposition of (i) commercial real estate leases and (ii) Debtor's right to select, identify, and designate which commercial leases may be assumed and assigned under section 365 of the Bankruptcy Code; *provided, however*, that "DIP Collateral" shall not include Debtor's real property leases (but shall include all proceeds of such leases) solely to the extent that the grant of a DIP Lien thereon is prohibited or restricted by the terms of such real property lease or applicable non-bankruptcy law.

(a) The DIP Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Case, upon the conversion of any of the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code or in any other proceeding related to any of the foregoing (such Chapter

11 Case, chapter 7 case, or other proceedings, “Successor Cases”), and/or upon the dismissal of the Chapter 11 Case. Subject to the entry of the Final Order, the DIP Liens shall not be subject to section 510 of the Bankruptcy Code, the “equities of the case” exception of section 552 of the Bankruptcy Code, section 506(c) of the Bankruptcy Code, or sections 549, 550 or 551 of the Bankruptcy Code.

11. *Budget.* All borrowings under the DIP Facility and all use of Cash Collateral shall be in compliance with the budget attached as **Exhibit 1** to the DIP Agreement, as the same may be modified from time to time by the consent of the DIP Lender and Debtor (the “Budget” or “Approved Budget,” as applicable), subject to such variances (the “Permitted Variance”) permitted under the DIP Agreements, which is described therein as follows:

For purposes of compliance with the DIP Document[s], receipts, operating disbursements, capital expenditures and non-operating disbursements, shall be tested every other week on a cumulative basis beginning on the fourth full week following the Petition Date (i.e., from the Petition Date through the Friday prior to each testing date) in each case, on an aggregate basis (i.e., the aggregate applicable receipts less aggregate applicable disbursements reflected as Net Cash Flow in the approved Budget) and subject to a twenty (20%) permitted variance.

12. *Events of Default.* The occurrence of any of the following events, unless waived by the DIP Lender in writing, shall constitute an event of default under the DIP Documents and this Interim Order (collectively, the “Events of Default” and each, an “Event of Default”): (a) Debtor fails to operate in accordance with the Approved Budget (after taking into account Permitted Variances) or comply with any reporting requirement, and such failure remains uncured 10 business days after the DIP Lender notifies Debtor thereof; (b) Debtor fails to make any required payment, including, but not limited to, the payment of the full balance of the DIP Facility upon default or at the Maturity Date; (c) any order authorizing the Debtor to obtain the DIP Facility, whether on an interim or final basis, is not in a form satisfactory to the DIP Lender or is reversed, vacated, stayed, amended, supplemented, or otherwise modified in a manner which shall materially

and adversely affect the rights of the DIP Lender; (d) the Chapter 11 Case is either dismissed or converted to a case under chapter 7 pursuant to a final order of the Court, the effect of which has not been stayed; (e) a chapter 11 trustee is appointed in the Chapter 11 Case pursuant to a final order of the Court, the effect of which has not been stayed; and (f) Debtor fails to achieve any of the Milestones, unless extended or waived by the DIP Lender in writing.

13. *Remedies after Event of Default.* Upon the occurrence of an Event of Default (as set forth in the Remedies section of the DIP Documents), the DIP Lender shall give the Default Notice to the Notice Parties and the Court shall conduct a hearing during the Remedies Notice Period to determine if an Event of Default has occurred and determine appropriate relief and remedies, including whether relief from the automatic stay is appropriate. During the Remedies Notice Period, the DIP Lender shall continue to perform under the DIP Facility and DIP Orders and the Debtor shall have authority to use Cash Collateral and the DIP Facility proceeds in accordance with the DIP Documents and applicable Budget to avoid immediate and irreparable harm to the Debtor's estate. At the end of the Remedies Notice Period, the Debtor's rights to use the DIP Facility or cash collateral shall immediately cease and all cash collateral or proceeds of the DIP Facility shall be held pending further order of the Bankruptcy Court, except as necessary to fund the Carve-Out, unless (i) otherwise agreed by the Parties, (ii) otherwise ordered by the Bankruptcy Court, or (iii) the Event of Default has been cured or waived.

14. *Limitation on Charging Expense against Collateral.* Subject to and effective upon entry of the Final Order, except to the extent of the Carve-Out, no expenses of administration of the Chapter 11 Case or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral, as the case may be, pursuant to section 506(c) of the Bankruptcy Code or

any similar principle of law, without the prior written consent of the DIP Lender and no such consent shall be implied from any other action or inaction by the DIP Lender.

15. *Payments Free and Clear.* Any and all payments or proceeds remitted to the DIP Lender pursuant to the provisions of this Interim Order or any subsequent order of this Court shall be received free and clear of any claim, charge, assessment, or other liability, other than the Carve-Out.

16. *Cash Collateral.* All of Debtor's cash as of the Petition Date on deposit or maintained by Debtor in any account or accounts subject to a valid control agreement in favor of PMA as well as any cash proceeds of the disposition of any PMA Prepetition Collateral constitute Cash Collateral of PMA within the meaning of section 363(a) of the Bankruptcy Code.

17. *Use of Cash Collateral.* Debtor is hereby authorized to use the Cash Collateral, during the period from the Petition Date through and including the Termination Date (as defined below) for working capital and general corporate purposes, including fees, costs and expenses related to the Chapter 11 Case and the DIP Documents, capital expenditures, and to pay interest, fees, and expenses in connection with the DIP Loans, including adequate protection and adequate assurance payments, in accordance with the terms and conditions of this Interim Order and subject to compliance with the Approved Budget. As used herein, "Termination Date" means the earliest to occur of (a) the Maturity Date (as defined in the DIP Agreement) and (b) the date on which the Debtor commits an incurable, material breach of the DIP Agreement, which relieves the DIP Lender of any obligation to continue performing.

18. *Adequate Protection.* As PMA is the sole prepetition lender secured by the PMA Prepetition Collateral, the Court finds that adequate protection of PMA's interests under the PMA Loan Documents in and to the PMA Prepetition Collateral is not required as PMA is acting as DIP

Lender; *notwithstanding*, the Court finds that PMA's interests are adequately protected for purposes of sections 361, 363(c)(2), and 363(e) of the Bankruptcy Code, by virtue of the rights conferred under the DIP Documents and use of the DIP Facility to, among other things, preserve the PMA Prepetition Collateral; *provided, further* that PMA's rights to the PMA Prepetition Collateral, subject only to the DIP Facility and Carve-out, shall constitute continuing, valid, binding, enforceable, and non-avoidable obligations of Debtor and PMA Prepetition Liens shall be deemed automatically perfected post-petition security interests in and liens on all of PMA the Prepetition Collateral, subject only to the DIP Liens and Carve-out.

19. *Perfection of DIP Liens.*

(a) The DIP Lender is hereby authorized, but not required, to file or record financing statements, mortgages, notices of lien, or similar instruments in any jurisdiction, take possession of or control over, or take any other action in order to validate and perfect the DIP Liens granted to it hereunder, in each case, subject to the terms of the DIP Documents, and the automatic stay is hereby modified to permit such authorized actions. Whether or not the DIP Lender chooses to file such financing statements, mortgages, notices of lien, or similar instruments, take possession of or control over, or otherwise confirm perfection of the DIP Liens, such DIP Liens shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination as of the date of entry of this Interim Order, *except* as otherwise provided herein.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Lender, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien, or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Interim Order for filing and recording.

(c) Debtor shall execute and deliver to the DIP Lender, all such agreements,

financing statements, instruments and other documents as the DIP Lender may reasonably request to evidence, confirm, validate, or perfect the DIP Liens.

(d) Subject to entry of the Final Order, any provision of any lease or other license, contract, or other agreement that requires (i) the consent or approval of one or more landlords or other parties, or (ii) the payment of any fees or obligations to any governmental entity, in order for Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other DIP Collateral related thereto, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code, and any such provisions shall have no force and effect with respect to the granting of the DIP Liens on such leasehold interest or the proceeds of any assignment and/or sale thereof by Debtor in favor of the DIP Lender in accordance with the terms of the DIP Documents or this Interim Order.

20. *Preservation of Rights Granted Under the Order.*

(a) Unless all DIP Obligations shall have been indefeasibly paid in full in cash, it shall constitute an Event of Default and a termination of the right to use the Cash Collateral if (i) Debtor seeks, or if there is entered, any modification of this Interim Order without the prior written consent of the DIP Lender, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP Lender, or (ii) an order is entered converting or dismissing the Chapter 11 Case.

(b) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed, such reversal, stay, modification, or vacatur shall not affect (i) the validity, priority or enforceability of any DIP Obligations incurred prior to the effective date of such reversal, stay, modification, or vacatur, or (ii) the validity, priority, or enforceability of the DIP Liens. Notwithstanding any such reversal, stay, modification, or vacatur, any use of the Cash

Collateral, any DIP Obligations incurred by Debtor to the DIP Lender prior to the effective date of such reversal, stay, modification, or vacatur shall be governed in all respects by the original provisions of the DIP Documents and this Interim Order, and the DIP Lender shall be entitled to all of the rights, remedies, privileges, and benefits granted in section 364(e) of the Bankruptcy Code, this Interim Order, the DIP Documents (with respect to all DIP Obligations), and uses of the Cash Collateral.

(c) Except as expressly provided in this Interim Order or in the DIP Documents, the Carve-Out, the DIP Liens, the Super-priority Claims, and all other rights and remedies of the DIP Lender granted by this Interim Order and the DIP Documents shall survive, and shall not be modified, impaired, or discharged by (i) the entry of an order converting the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code or dismissing the Chapter 11 Case, or (ii) the entry of an order confirming a chapter 11 plan in the Chapter 11 Case, *provided* that Debtor has waived any discharge as to any remaining DIP Obligations pursuant to section 1141(d)(4) of the Bankruptcy Code. The terms and provisions of this Interim Order and the DIP Documents shall continue in the Chapter 11 Case, and in any Successor Cases, and the DIP Liens, the DIP Obligations, the Carve-Out, the Super-priority Claims, and the other administrative claims granted pursuant to this Interim Order, and all other rights and remedies of the DIP Lender granted by this Interim Order and/or the DIP Documents, shall continue in full force and effect until all DIP Obligations are indefeasibly paid in full in cash.

21. *Effect of Stipulations on Third Parties.*

(a) The stipulations and admissions contained in this Interim Order shall be binding upon all other parties in interest unless prior to the expiration of the Challenge Period (defined below) a party in interest (including the Committee, if any, or any chapter 7 or chapter 11

trustee appointed or elected for Debtor) (each, a “Challenge Party”) has (i) commenced an adversary proceeding or contested matter challenging the Stipulations or (ii) filed a request for standing to pursue such a challenge, if the party in interest did not have standing prior to such request. The “Challenge Period” shall commence on the Petition Date and end on the earlier of (x) sixty (60) calendar days after the Petition Date and (y) the date established by the Court for the submission of qualified bids in connection with the sale of all or substantially all assets of the Estate, which shall be set forth in a separate order of this Court; *provided* that the DIP Lender may agree to extend the Challenge Period, either generally or with respect to a particular party, without further order of the Court, *subject to* such agreement being set forth in writing and a notice of such extension being filed with the Court. Upon notice and a motion of a party in interest, the Court may extend the Challenge Period upon a showing of good cause.

(b) If no Challenge is timely filed in respect of the PMA Loan Obligation or PMA Prepetition Liens, (x) the PMA Loan Obligation shall constitute allowed claims, not subject to counterclaim, setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, recovery, for all purposes in the Chapter 11 Case and any subsequent chapter 7 case, (y) the PMA Prepetition Liens on the PMA Prepetition Collateral securing the PMA Loan Obligation shall be deemed to have been, as of the Petition Date, and to be, legal, valid, binding, perfected and of the priority specified in herein, not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery, and (z) the PMA Loan Obligation and the PMA Prepetition Liens on the PMA Prepetition Collateral granted to secure the PMA Loan Obligation shall not be subject to any other or further challenge by any party in interest (including any Committee), and every party in interest shall be enjoined from seeking to exercise the rights of Debtor’s Estate, including any

successor thereto (including any estate representative or a chapter 7 or 11 trustee appointed or elected for any of Debtor). Nothing in this Interim Order shall confer standing on any party in interest to assert any claims or defenses or otherwise bring any claim or cause of action, and such standing shall remain solely with Debtor unless otherwise ordered by the Court.

(c) If any Challenge is timely filed, the stipulations and admissions contained herein (*i.e.*, the Debtor Stipulations) shall nonetheless remain binding and preclusive on all parties in interest, including the Committee, *except* as to any such findings and admissions that were expressly and, ultimately, successfully challenged, if any, and solely to the extent expressly set forth in the final order sustaining such Challenge. For the avoidance of doubt, if a timely Challenge is successful, then the Debtor and its estate shall not be bound by the stipulations to the extent of such successful Challenge.

22. *Limitation on Use of DIP Loans and DIP Collateral.* Except as otherwise permitted in the DIP Orders, Budget, or the DIP Documents, neither the funds available under the DIP Facility, the DIP Collateral, nor the Carve-Out may be used to fund or pay expenses in connection with: (a) preventing, hindering, or delaying the DIP Lender's enforcement of the DIP Documents, collection of the DIP Obligations, or realization upon any of the DIP Collateral, subject to compliance with the DIP Documents, orders of the Court, and applicable law; (b) using or seeking to use the DIP Collateral or selling or otherwise disposing of DIP Collateral outside the ordinary course of business without the prior written consent of the DIP Lender; (c) outside the ordinary course of business, using or seeking to use any insurance proceeds constituting DIP Collateral without the prior written consent of the DIP Lender; (d) incurring any junior priority indebtedness without prior notice to the DIP Lender; (e) incurring any senior priority or equal priority indebtedness without the prior written consent of the DIP Lender (other

than to refinance the DIP Loans); (f) seeking to amend or modify any of the rights granted to the DIP Lender under the DIP Documents, including the DIP Orders; (g) objecting to or challenging in any way the DIP Documents, the DIP Lender Liens, the DIP Obligations, the DIP Collateral, the PMA Loan Documents, the PMA Prepetition Liens, the PMA Loan Obligation, or PMA Prepetition Collateral, or any other claims or liens held by or on behalf of the DIP Lender in its capacity as such, whether directly or indirectly, or whether in whole or in part, *except* as otherwise provided herein; (h) examining, asserting, commencing, prosecuting any claims or causes of action whatsoever, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, applicable state law equivalents, any so-called “lender liability” claims and causes of action or other actions to recover or disgorge payments against the DIP Lender, or any of its respective affiliates, successors and assigns and the partners, shareholders, members, controlling persons, directors, officers, employees, agents, attorneys, advisors, and professionals, in each case to the extent arising out of or relating to the DIP Loans or the PMA Loan; or (i) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations or the PMA Loan Obligation.

23. *Professional Expenses.* Debtor authorized to pay all reasonable and documented prepetition and post-petition fees and out-of-pocket expenses due and outstanding to the DIP Lender related to the Chapter 11 Case and arising out of or related to the DIP Loans or the PMA Loans *provided* (i) that such fees and expenses are not subject to a *bona fide* dispute and (ii) that such fees do not exceed the allocation therefor in the Approved Budget. Payment of such fees and expenses shall not be subject to allowance by the Court. Professionals for DIP Lender shall not be required to submit invoices in any particular format; however, any time such professionals seek payment of fees and expenses from Debtor, each professional shall provide copies of its invoices to the U.S. Trustee and counsel for any Committee contemporaneously with the delivery of such

fee and expense statements to Debtor. Any objections raised by Debtor, the U.S. Trustee or a Committee (if appointed) with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) business days of the receipt of such invoice. If the parties are unable to resolve the objection within ten (10) business days thereof, the objection will be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such invoice will be paid by Debtor in accordance with the terms of the DIP Documents and this Interim Order. No attorney or advisor to the DIP Lender shall be required to file an application seeking employment or compensation for services or reimbursement of expenses with the Court.

24. *Insurance.* Debtor shall maintain insurance post-petition consistent with its prepetition practices. Debtor shall maintain all insurance on all PMA Prepetition Collateral and DIP Collateral as required under the PMA Loan Documents and DIP Documents. The DIP Lender shall be deemed the loss payee under Debtor's insurance policies and shall act in that capacity and subject to the terms of the DIP Documents, distribute any proceeds recovered or received in respect of any such insurance policies, first, to the payment of the PMA Loan Obligation until paid in full, and second, to the payment of the DIP Obligations, and third, to the Estate.

25. *No Marshaling/Applications of Proceeds.* Subject to entry of a Final Order, PMA shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the PMA Prepetition Collateral.

26. *Section 552(b).* Subject to entry of a Final Order, the DIP Lender shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Lender with respect to proceeds, product, offspring or profits of any of the PMA Prepetition Collateral.

27. *Indemnification.* The Debtor shall indemnify and hold harmless the DIP Lender and each of its respective shareholders, directors, members, managers, principals, agents, advisors, officers, subsidiaries and affiliates in such capacity relating to the DIP Lender in accordance with, and subject to, the terms and conditions of the DIP Documents, and under this Interim Order only up to the balance of the DIP Loans funded hereunder, except to the extent of such party's actual fraud, gross negligence, recklessness or willful misconduct as determined in a final and non-appealable order by a court of competent jurisdiction.

28. *Order Governs.* In the event of any inconsistency between the provisions of this Interim Order and the DIP Documents, the provisions of this Interim Order shall govern.

29. *Binding Effect; Successors and Assigns.* The DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in the Chapter 11 Case, including the DIP Lender and Debtor, and their respective successors and assigns, including any chapter 7 or chapter 11 trustee, any examiner with expanded powers appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of Debtor or with respect to the property of the Estate, and shall inure to the benefit of the DIP Lender and Debtor, and their respective successors and assigns; *provided* that, except to the extent expressly set forth in this Interim Order or the DIP Documents, the DIP Lender shall have no obligation to permit the use of the DIP Loans or the Cash Collateral or extend any financing to any chapter 7 trustee or similar responsible person appointed for the Estate.

30. *Limitation of Liability.* In determining whether to make any loan under the DIP Agreement, to permit the use of Cash Collateral, or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents, the DIP Lender shall not solely by reason thereof be deemed in control of the operations of Debtor or to be acting as a

“responsible person” or “owner or operator” with respect to the operation or management of Debtor, as such terms, or any similar terms, may be used by or applicable to any applicable federal or state statute. Furthermore, nothing in this Interim Order or in the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Lender of any liability for any claims arising from the prepetition or post-petition activities of Debtor.

31. *Proofs of Claim.* The DIP Lender shall not be required to file proofs of claim in the Chapter 11 Case, or any Successor Cases, for any claim allowed herein or otherwise arising from the DIP Facility or PMA Prepetition Facility. Any order entered by the Court in relation to the establishment of a bar date for any claim (including administrative claims) in the Chapter 11 Case, or any Successor Cases, shall not apply to the DIP Lender or any claims of the DIP Lender.

32. *No Waiver.* The failure of the DIP Lender to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, or the PMA Loan Documents, or otherwise, as applicable, shall not constitute a waiver of any of the DIP Lender’s rights. Except as expressly provided herein, the entry of the DIP Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair any of the rights, claims, privileges, objections, defenses or remedies of the DIP Lender under the Bankruptcy Code or under non-bankruptcy law against any other person or entity in any court.

33. *No Third-Party Rights.* Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, third party, or incidental beneficiary.

34. *Effectiveness.* This Interim Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon entry hereof, and there shall be no stay of effectiveness of this Interim Order. Any stay imposed by the Bankruptcy Code or Bankruptcy

Rules is hereby waived.

35. *Final Hearing.* The Court shall hold a hearing to consider approval of the DIP Facility on a final basis (the “Final Hearing”) on August 11, 2025, at 2:00 p.m. prevailing Eastern Time, before this Court. Debtor shall promptly serve copies of this Interim Order (which shall constitute adequate notice of the Final Hearing) on the Notice Parties. Any party in interest objecting to the relief sought at the Final Hearing shall file and serve on Debtor a written objection, which shall be filed no later than August 4, 2025.

July 3, 2025

From: PMA Lender, LLC, a Florida limited liability company (the “DIP Lender”)

To: The Villages Health System, LLC, a Florida limited liability company (the “Debtor” and, together with the DIP Lender, the “Parties”)

Re: Terms of Debtor-in-Possession Financing

To Whom it May Concern:

This letter agreement (together with any attachments and appendices hereto, the “Letter Agreement”), dated as of the date first written above (the “Effective Date”), memorializes the terms of the debtor-in-possession credit facility (the “DIP Facility”) to be provided by the DIP Lender to the Debtor.

This Letter Agreement shall not become binding unless and until (1) it is signed by the DIP Lender and the Debtor, and (2) it is approved by the U.S. Bankruptcy Court (the “Bankruptcy Court”) presiding over the Debtor’s bankruptcy case via an order acceptable in form and substance to the DIP Lender in its reasonable discretion and which provides the DIP Lender the protections of Section 364(e) of the Bankruptcy Code (defined below). Prior to satisfaction of the two conditions set forth in the immediately preceding sentence, this Letter Agreement shall be non-binding, for discussion purposes only and shall not be construed as an unconditional commitment of any kind to provide the DIP Facility.

1. **The Purpose of the DIP Facility; Chapter 11 Bankruptcy Filing.** The Debtor anticipates filing a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Middle District of Florida, Orlando Division, on or about July 3, 2025 (the “Petition Date”). The Debtor requires funding for, among other expenses, the costs associated with the bankruptcy case and related proceedings as well as the envisioned sale of all, or substantially all, of the Debtor’s assets pursuant to Section 363 of the Bankruptcy Code (the “Transaction”). The Debtor has requested, and the DIP Lender has agreed to loan certain amounts to the Debtor on the terms and conditions set forth in this Letter Agreement, as may be amended or otherwise altered by the agreement of the Parties or order of the Bankruptcy Court, via the DIP Facility. The DIP Facility is intended to provide short-term liquidity pursuant to mutually agreed-upon budgets and subject to the oversight of the Bankruptcy Court and DIP Lender. The Parties agree to use reasonable efforts to seek promptly the Bankruptcy Court’s approval of the DIP Facility and Transaction. For the avoidance of doubt, all documents and filings related to the DIP Facility and approval thereof must be in a form approved by the DIP Lender, which approval shall not be unreasonably delayed or withheld.

2. **The DIP Facility.** On or before two (2) business days after the Petition Date, the Debtor shall file a motion (the “DIP Motion”) with the Bankruptcy Court requesting authority to enter into the DIP Facility on the terms as more fully described in the DIP Facility Term Sheet attached hereto as **Exhibit A** and incorporated by reference herein (and as to which all capitalized terms not defined therein shall have the meaning set forth in this Letter Agreement).

EXECUTION VERSION

4. **Miscellaneous.**

A. **Entire Agreement.** This Letter Agreement, including the DIP Facility Term Sheet, and the documents executed in connection herewith shall contain the entire agreement between and among the Parties with respect to the subject matter hereof. There are no oral agreements between or among the Parties with respect to this Letter Agreement. All prior negotiations between the Parties are merged into this Letter Agreement. This Letter Agreement may only be amended or extended in writing signed by the Parties. No course of dealing shall vary the express terms of this Letter Agreement.

B. **Governing Law.** This Letter Agreement and the DIP Facility shall be governed by the law of the State of Florida, without respect to applicable conflicts of laws principles, and the Bankruptcy Code.

C. **Headings.** The headings contained in this Letter Agreement and any exhibits hereto are inserted for convenience only and shall not affect the meaning or interpretation of this Letter Agreement or any provision hereof.

D. **Construction.** Unless the context otherwise requires, singular nouns and pronouns, when used herein shall be deemed to include the plural of such noun or pronoun, and pronouns of one gender or no gender shall be deemed to include the equivalent pronoun of any or no gender. The Parties acknowledge that each of the Parties and its counsel have reviewed this Letter Agreement and DIP Facility Term Sheet and hereby agree that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Letter Agreement or any amendments or exhibits hereto.

E. **3rd-Party Beneficiaries; No Assignment.** Except as expressly provided herein, no person, organization, or association other than the Parties shall have any rights or claims under this Letter Agreement, which shall be binding on the successors, heirs, and assigns of the undersigned.

F. **Delivery; Counterparts.** Each of the Parties agrees to execute and deliver such other documents and instruments as may be reasonably necessary to fully affect the purposes of this Letter Agreement. This Letter Agreement may be executed in one or more counterparts which, when combined, shall constitute one completed original. A facsimile signature or electronically scanned copy of a signature shall constitute and shall be deemed to be sufficient evidence of a party's execution of this Letter Agreement without necessity of further proof. Each such copy shall be deemed an original, and it shall not be necessary in making proof of this Letter Agreement to produce or account for more than one such counterpart.

EXECUTION VERSION

G. **Severability.** If any provision of this Letter Agreement is determined to be unenforceable or is not approved by the Bankruptcy Court, then the DIP Lender, in its sole and absolute discretion, shall have the right to declare whether the remainder of this Letter Agreement shall remain in full force and effect or be deemed null and void.

H. **Authorization; Legal Representation.** The Parties have each approved the terms of this Letter Agreement, as further described in the DIP Facility Term Sheet, and have duly authorized the individual designated below to execute this Letter Agreement on its behalf. The Parties each acknowledge that they are represented by counsel and have had a full and complete opportunity to review this Letter Agreement and DIP Facility Term Sheet and negotiate the terms and conditions contained herein and the documents appended hereto or contemplated hereunder.

I. **Bankruptcy Court Approval.** The Parties acknowledge that effectiveness of this Letter Agreement is conditioned upon entry of an order by the Bankruptcy Court approving the DIP Facility on the terms set forth herein and in the DIP Facility Term Sheet.
